The SKC Career/Job Fair is an effective and inexpensive opportunity for recruiters to meet, network, and interview qualified applicants.

This is a valuable opportunity for representatives from local, state and national organizations to offer full and part-time employment, summer employment, internships and career opportunities. Last year we had approximately 100 employment/recruitment agencies, and over 600 potential employees register and participate in this event.

If you wish to participate in the career fair we provide: one table (4x6), two chairs, continental breakfast, and lunch. Register by January 27th the early registration fee is \$75.00, after January 27th fee is \$100.00.
